In re: proposed rule published

Federal Register on November 5, 2014

**[Docket No. 2014-CRB-0001-WR (2016- 2020) (Web IV)]**

The University of California radio stations file these Comments in response to the agreement negotiated by College Broadcasters, Inc. and SoundExchange and published in the Federal Register on November 5, 2014.

KALX, KCSB, KDVS, KUCI, KUCR and KZSC are noncommercial educational, non-CPB funded radio stations licensed to the Regents of the University of California broadcasting at the University of California, a public university system.

The University of California radio stations submit its support for and believes the agreement is reasonable and should be adopted.

We urge the CRB to adopt the proposed rates and terms for the digital performances of sound recordings by noncommercial educational webcasters for the period commencing in 2016.

Dated: November 24, 2014

Respectfully submitted,

University of California Radio Stations
